MANAGEMENT***

# About Academy of HRD

Innovative, dynamic, and impactful, the Academy of HRD was founded in 1990 under the auspices of the National HRD Network. Conceived with the active support and guidance of distinguished professors from the Indian Institute of Management, Ahmedabad, including Dr. T. V. Rao, Dr. Udai Pareek, Dr. D. M. Pestonjee and a number of HRD professionals and people-management oriented corporations. It was later registered as a trust and society.

The Academy's activities consist of running high quality HRD related academic and management development programs, International & National conferences, seminars, and conclaves of practitioners, research and publications, and collaborative diploma programs.

## Unique Features of the Fellow Program

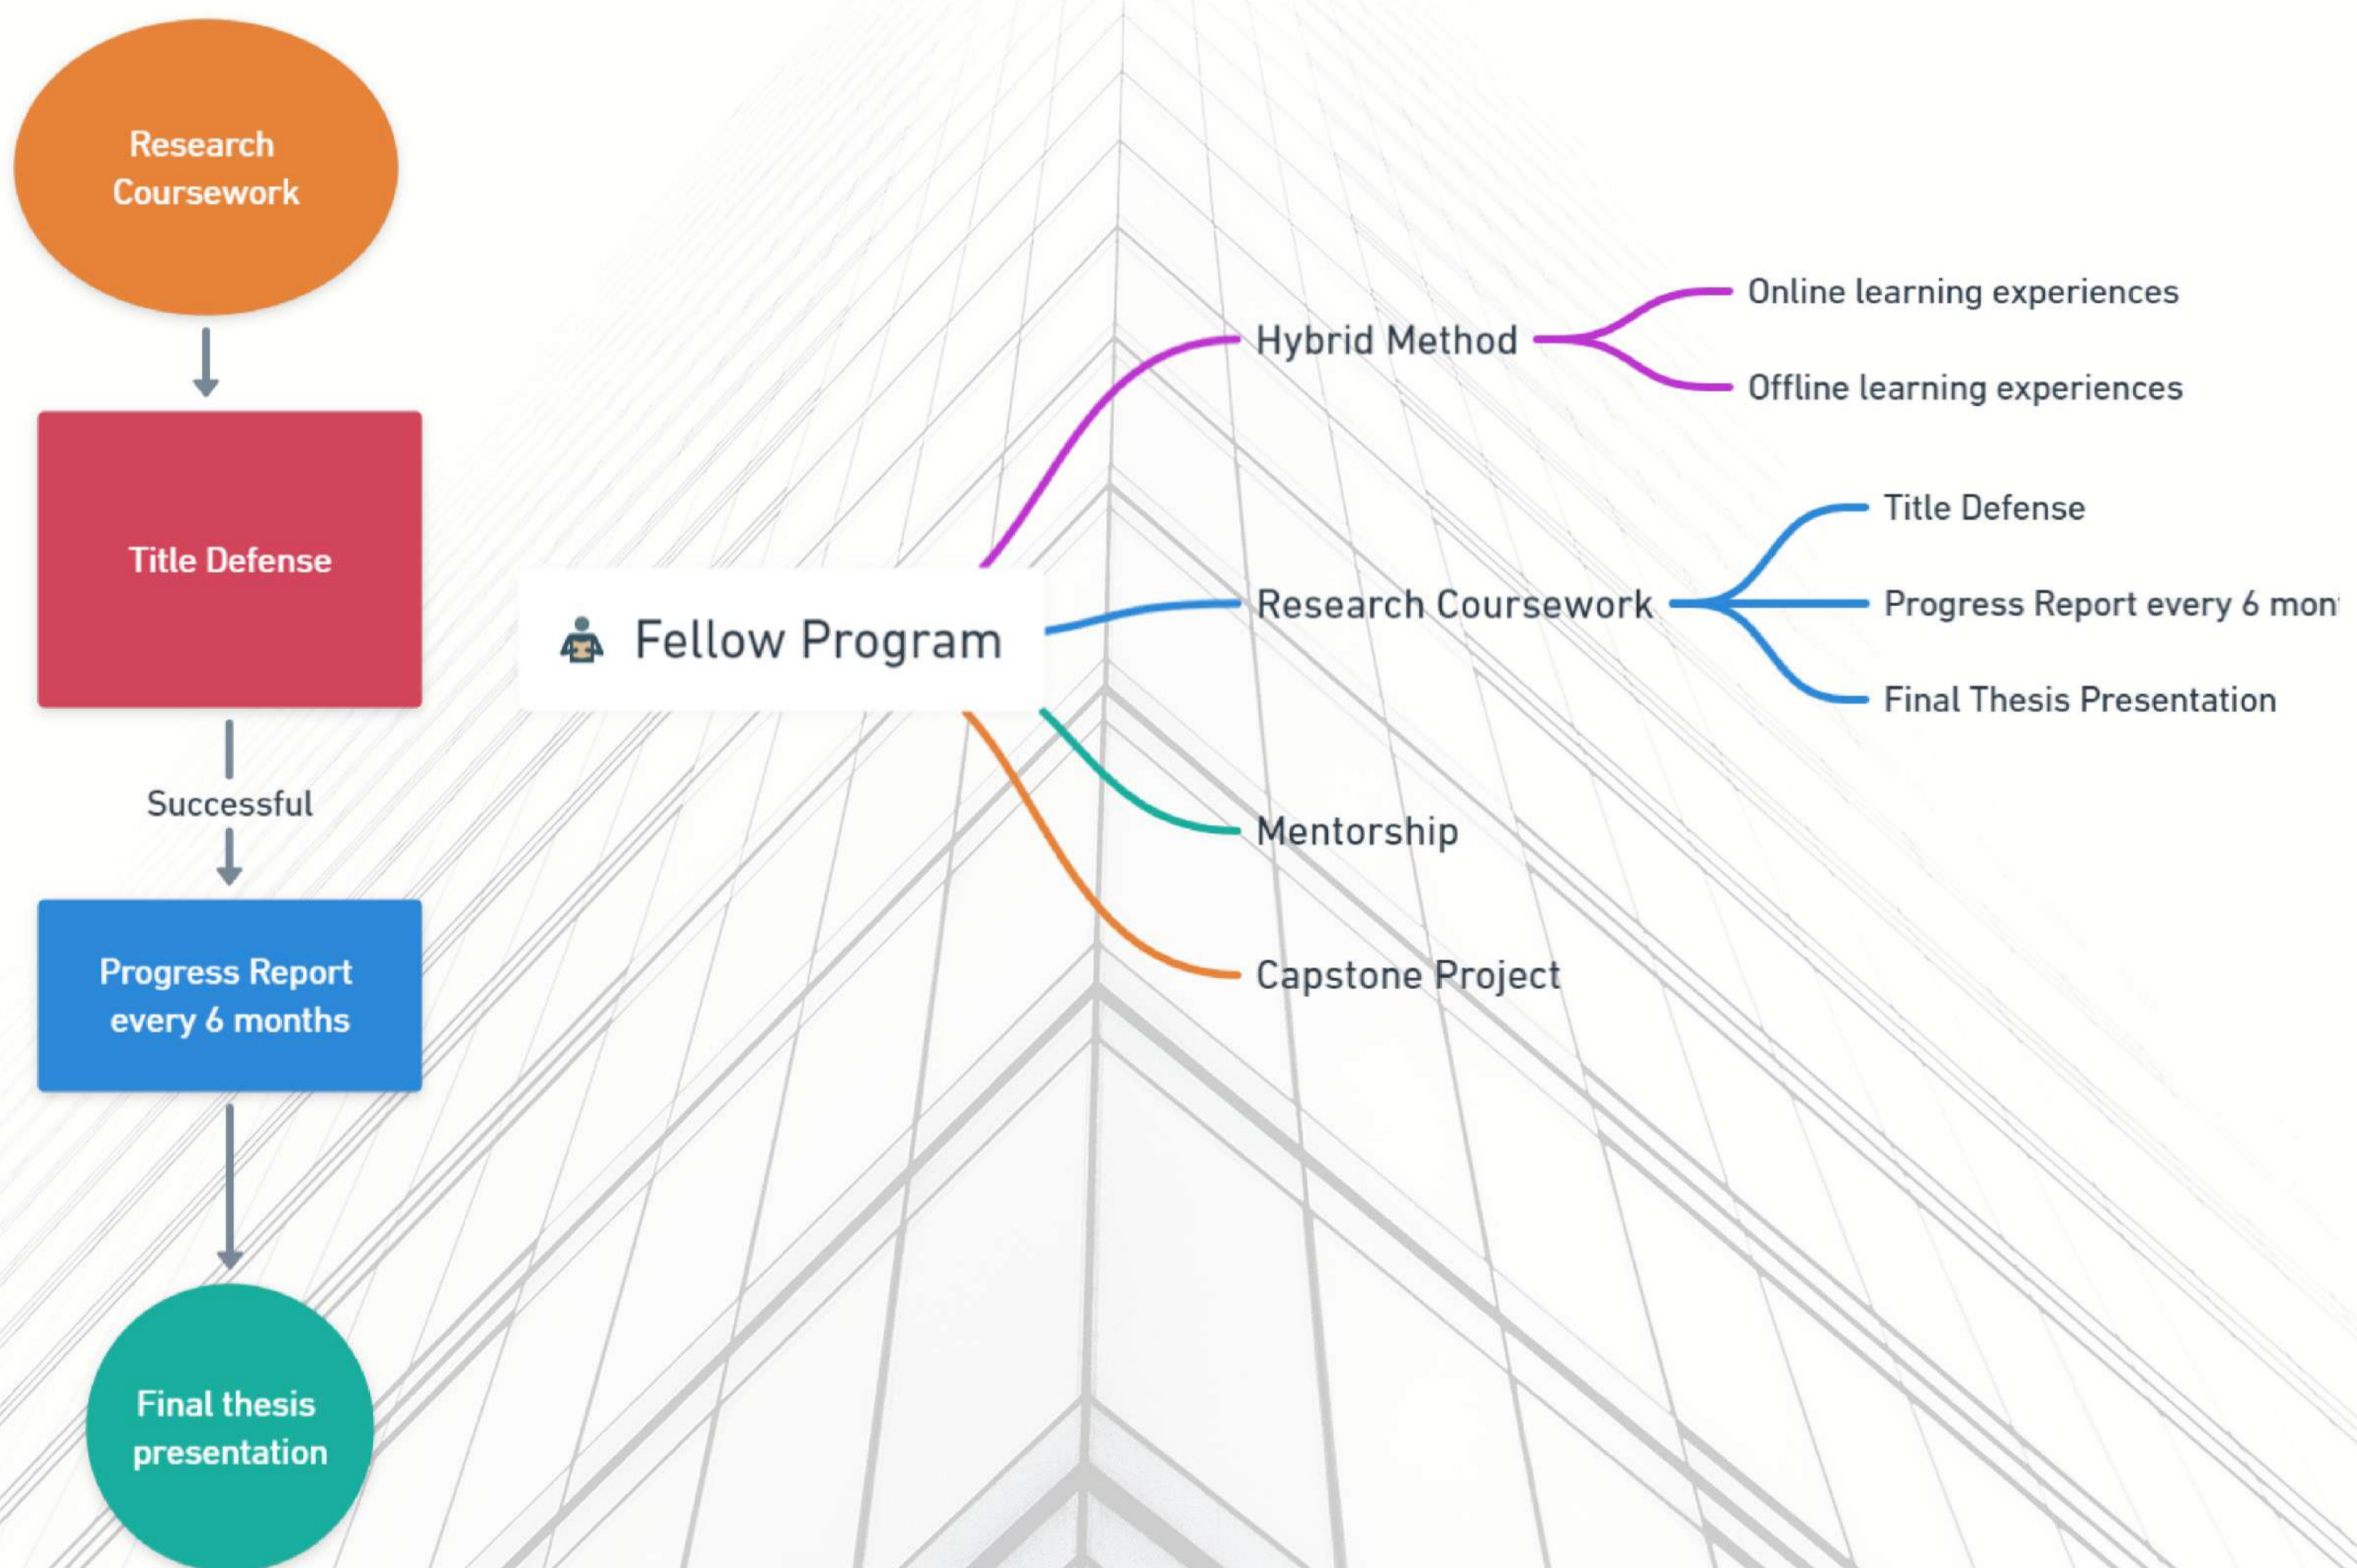

A unique blend of course work, industry interaction, and research, the Fellow Program is designed primarily for working professionals in HR and OD domain who aim to enhance their knowledge and expertise while balancing their work commitments.

An opportunity to connect with Industry stalwarts, experts and researchers.

The coursework phase encompasses fifteen structured courses that are completed within two years, followed by a robust research journey concluded with a thesis presentation.

# Program Structure

The Fellow Program employs a Hybrid Method, offering a fruitful blend of online and offline learning experiences. After successful completion of the research coursework, participants would proceed for the title defence for the chosen research topic. Subsequently, a progress report of the research work is mandatory every 6 months, leading to the final thesis presentation.

## AHRD - Ganpat University Joint Program

The collaborative program between AHRD and Ganpat University offers doctoral degrees to participants in accordance with UGC guidelines.

## AHRD - Adani University Joint Program

Similarly, AHRD partners with Adani University to offer doctoral degrees, ensuring compliance with UGC standards. This initiative aims to attract experienced professionals to the program, enabling them to benefit from the combined strengths of both institutions.
