

RESEARCH—A PERSONNEL ODYSSEY By Prof. Rajen Gupta 20 Sept 2020

A journey of research can be rigorous but is the most exciting journey in a scholars life . It is this journey and experience which inspires the future scholars to move ahead in their research work. It was this experience that was shared with our fellows by Prof. Rajen Gupta, Professor (Retd.) MDI, Gurugram & IIM Lucknow, session conducted on 20th Sept, 2020. A 50 years of his journey was what he shared in a nutshell with the students. It was such an inspiring story he shared and helped the fellows in their journey of fellowship.
